Vision Statement for Careers:

To provide an inclusive, careers strategy which raises student aspirations, unlocks their potential and ensures that they have the individual skills, values and qualifications to make informed choices and be successful in further education, training and employment

Independent Careers Guidance

In line with statutory guidance, Careers Education, Information, Education & Guidance at Our Lady Queen of Peace ensures that all students are provided with independent careers guidance from Year 7 to Year 11.

The independent careers guidance:

- is presented in an impartial manner, showing no bias or favouritism towards a particular institution, education or work option.
- includes information on the range of education or training options, including apprenticeships and technical education routes.
- is guidance that the person giving it considers will promote the best interests of the students to whom it is given. Careers information and guidance at Our Lady Queen of Peace is a progressive journey from Year 7 to 11.
